We are building a new Centre on a prime site and running it sustainably to enrich the whole community for generations to come.

Leaving a gift in your Will as a lasting legacy will enrich the lives of everyone in Woodbridge and the surrounding area.

In our first year Jetty Lane raised £250,000. To make the new Centre a reality, we need to raise at least £3.5m.

Jetty Lane CIO will build an iconic youth, arts and community resource for **our time**, as well as generations yet unborn - in this wonderful town.

NEED

There is a lack of purpose-built accommodation for many groups of people - young people (replacement for the demolished Woodbridge Youth Centre), artists, older people, community groups and for office space which will serve Woodbridge & surrounding villages. Our central site is accessible by public transport and there is ample parking.

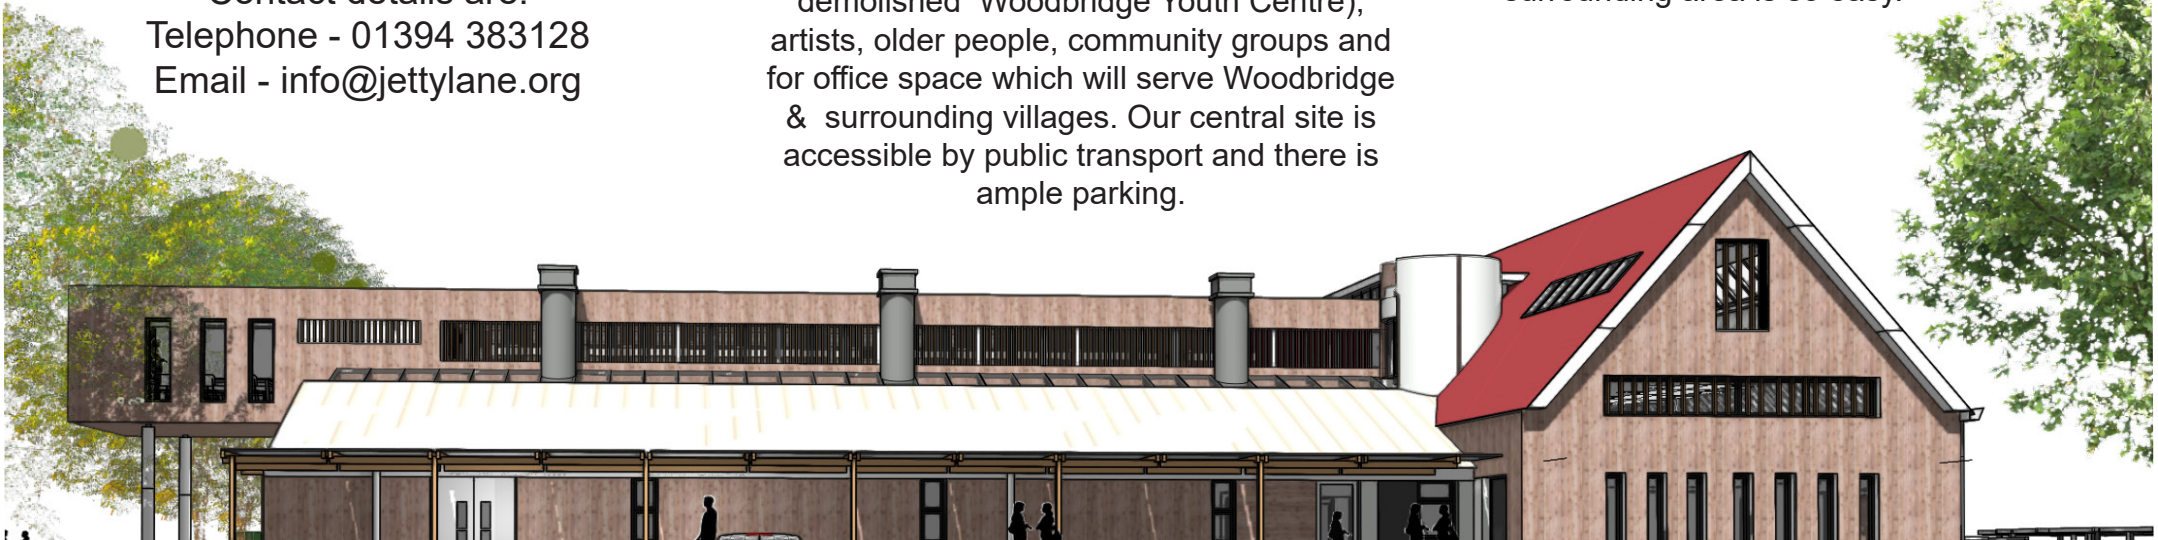

DESIGN

We have a modern, sustainable design: planning permission has been granted to build on our Jetty Lane site near the river in Woodbridge. The building's exterior is boldly designed using materials that reflect the brick, wood and water of its surrounds.

FUNDING

Once built the Centre will be self-funding by hiring out space both to community groups and artists which will be subsidised by the commercial rents charged on the office space.

Leaving a gift in your Will as a lasting legacy to enrich the lives of everyone in Woodbridge and the surrounding area is so easy.

OUR PROMISE TO YOU

We promise to use your gift to help us build and maintain and further develop Jetty Lane in line with the declared vision and mission of the organisation

We respect your right to change your mind about leaving a gift in your Will to Jetty Lane.

We would love to hear if you've chosen to leave a gift to Jetty Lane in your Will so we can say thank you.

You don't have to inform us though and we won't keep asking you.
